The screenshot shows the homepage of the Zenken Net website. The header includes the logo of the Japan Federation of Construction Industry Associations (Zenken) and a navigation bar with links like NEWS, Zenken's Message, Our Services, Prefectural Associations, Publications, and Link Collection. A large banner at the top features a construction site and the text '建設業の健全な発展と公共の福祉の増進のために' (For the sound development of the construction industry and the improvement of public welfare). Below the banner, there's a section for 'ご案内' (Guidance) with a list of links. The main content area is divided into three columns. The left column contains a 'NEWS' section with recent updates. The middle column has a search bar and a section for '会員専用コンテンツ' (Member-Only Content), which is circled in red. Below this, the '施工の工夫・改善事例集' (Construction Work Improvement Case Studies) link is also circled in red. The right column features a 'Zenken Journal' section and other promotional banners. The bottom of the page has a footer with additional information.
