Dear Sir / Madam,

On behalf of the Ministry of Land, Infrastructure, Transport and Tourism (MLIT), I would like to take this opportunity of this letter to inform you about MIPIM JAPAN.

The real estate trade fair “MIPIM JAPAN”, targeting mainly Asia, will be taking place in Tokyo, Prince Park Tower Hotel, May 20-21, 2015. This first edition of Forum for Global Property Innovation will offer valuable opportunities to initiate new relationships with investors, developers and local governments from all over the world. MLIT and other Japanese public organizations are officially supporting this exciting new event. I believe “MIPIM JAPAN” will give you further understanding of the latest urban development projects and technologies of Japan, such as “Eco City”. The event will also be a great opportunity for interacting with Asian cities and global leaders involved in real estate business.

MIPIM JAPAN consists of a wide variety of content, not only world-wide city exhibitions, but also conferences, sessions and networking events, including special excursion tours. During conferences, world-class guest speakers will gather in one place to discuss current real estate challenges, prospect and feature the future projects. Please refer to the attached pamphlet from the organizer of this event. More information is also available on MIPIM JAPAN website: www.mipimjapan.com.

If you are interested in participating MIPIM JAPAN, please contact Ms. Takayanagi of MLIT (takayanagi-y92jw@mlit.go.jp) or Luigia De Ianni at Reed MIDEM headquarters (luigia.deianni@reedmidem.com), the organizer of this event. The Secretariat Branch Office of the organizer would be happy to meet you and give more details about participation.

Once again, I would like to thank you for what you have done for our organization and hope that MIPIM JAPAN will open new opportunities to further develop our relationship.

Sincerely yours,

Shinichi Fukunaga
Director, International Affairs Office, City Bureau
